

Husqvarna®

HUSQVARNA SNOW BLOWERS

POWER THROUGH THE TOUGHEST WINTER STORMS.

When you own a Husqvarna snow blower, you can't wait for the snow. Premium engines, precision controls, heavy-duty construction and comfortable operation help power you through any winter.

Two Stage 400 series

Two Stage 300 series

Two Stage 200 series

Two Stage 100 series

EXCLUSIVE HUSQVARNA ENGINES BUILT TO LAST

Engineered for extreme winter applications, Husqvarna engines are the new generation of power. Tested in sub-zero (<math>< -32^{\circ}\text{C}</math>) environments, they run smoother, longer and more efficiently. Designed with convenient features, intuitive controls and quick-response safety features, Husqvarna engines blow through the toughest winter conditions.

HUSQVARNA ENGINES FEATURES

- 120 V Electric Starter
- Easy-to-Use Controls
- Extreme Weather Engineering
- Oversized Fuel Cap with Tether Cord
- Integrated Throttle
- Heater Box
- Convenient High-Mount Oil Fill
- Comfortable, Oversized Rubber Grip
- Safety Key Pull Switch
- Special Overfill Fuel Tank

HUSQVARNA 5&5 EXCLUSIVE GUARANTEE

5 Year Engine Warranty | 5 Year Guaranteed to Start Warranty (GS)

If the Husqvarna GS (Guaranteed to Start) engine will not start on the first or second pull, provided the routine maintenance required in the Operator's Manual has been performed and no fuel was left in the snow blower between seasons as noted in the Operator's Manual, then the engine is covered for 5 years and will be replaced or repaired at no cost to the consumer.

TWO STAGE 400 SERIES COMMERCIAL SUPPORT FOR THE TOUGHEST JOBS

PROFESSIONAL

Designed for commercial operators, Husqvarna's 400 series snow blowers provide the durability and maneuverability required to manage the roughest sidewalks, driveways, or common areas on the season's heaviest snow days. In addition, 400T series snow blowers are the only snow blower to combine the convenience of EFI technology with rough terrain tackling track systems.

- Power Steering
- Key Electric Start
- Powerful LED Work Light
- Cast Iron Gearbox & Impeller
- Available in Wheeled or Track Models

ST 427

ELECTRONIC FUEL INJECTED ENGINES

Provide increased fuel efficiency, steady power, and low maintenance.

HYDROSTATIC TRANSMISSION

Infinitely variable speeds which performs well in rough terrain.

ALL STEEL OPERATOR CONSOLE

No plastic in operator console increases durability and fit / feel / finish.

3 YEAR
LIMITED PRODUCT
WARRANTY

10 YEAR
LIMITED GEARBOX
WARRANTY

400 series snow blowers are powered by Husqvarna brand engines and backed by an industry-leading warranty.
See Husqvarna.com for details.

Husqvarna 5&5 Year Warranty:

- 5 YEARS Warranty on Engine
- 5 YEARS Guaranteed to Start Warranty (GS)

ADDITIONAL FEATURES:

EFI AND ELECTRIC START

Provides an easy-to-start engine and consistent power and engine RPM throughout the job.

ADJUSTABLE SKID SHOES

Heavy-duty metal skid shoes provide durability for long lasting operation.

STRONG CAST IRON GEARBOX WITH 10 YEAR WARRANTY

Improves the durability of your machine, requires less servicing and provides more stable operation in all conditions.

TWO STAGE 300 SERIES COMMERCIAL CAPABILITY FOR HOMEOWNERS

HEAVY DUTY

The new 300 series offers several performance upgrades including a new high capacity belt system and new friction drive. Ergonomic and comfort features include improved heated handles, a looped handle for better maneuverability, and an industry first height adjustable handle. In addition, the cast iron auger gearbox, 14" auger and tie support provide enhanced durability.

- Loop Handle
- Friction Drive System
- Height Adjustable Handle
- Cast Iron Auger Gearbox
- Cast Iron Impeller

ST 327

LOOP HANDLE AND HEATED HAND GRIPS

The loop handle provides improved grip and control, while the heated handles ensure comfortable operation in harsh conditions.

HEIGHT ADJUSTABLE HANDLE

The industry-exclusive adjustable handle can be set at 4 different heights maximizing operator comfort.

POWERFUL CAST IRON IMPELLER

The 3-blade impeller is a powerful and effective solution for moving deep and heavy snow up the chute.

3 YEAR

Husqvarna 5&5 Year Warranty:

- **5 YEARS** Warranty on Engine
- **5 YEARS** Guaranteed to Start Warranty (GS)

ADDITIONAL FEATURES:

HIGH CAPACITY BELT SYSTEM

The new high capacity belt system is designed to provide higher power for extra capability in heavy snow.

HEAVY-DUTY AUGER HOUSING

Durable construction materials ensure reliable operation, efficient clearing and long product lifetime.

FRICTION DRIVE

New and improved friction drive system performs well in wet conditions, allowing you to get the job done faster and more efficiently.

All features mentioned are not applicable for all models.

TWO STAGE 200 SERIES CLEAR THE WAY AFTER BIG WINTER SNOWFALLS

MEDIUM DUTY

Designed for homeowners who need a high-performance snow blower with the capacity to clear snow from large driveways and paths, 200 series machines are ideal for medium duty and occasional use in all snow conditions. Improved ergonomic design, adjustable handle with heated hand grips, multi-function dashboard and adjustable skid shoes provide optimum comfort and convenience.

- Power Steering
- Premium Control Cables
- Aluminum Gearbox
- Up to 3.6 Liter Fuel Capacity†

†ST 230

ST 230

IMPROVED CONTROL PANEL

Within easy reach are the variable drive speed control and chute controls, all supported by our structurally reinforced loop handles.

DURABLE RIBBON AUGER

Improves the mix of snow and air making the snow easier to handle. Thicker steel improves stability and durability.

ADJUSTABLE HANDLE

The industry exclusive handle is height-adjustable in 4 steps, providing comfortable operation that means less strain for the operator.

3 YEAR

WARRANTY

5 YEAR
LIMITED GEARBOX
WARRANTY

200 series snow blowers are powered by Husqvarna brand engines and backed by an industry-leading warranty.
See Husqvarna.com for details.

Husqvarna 5&5 Year Warranty:

- **5 YEARS** Warranty on Engine
- **5 YEARS** Guaranteed to Start Warranty (GS)

INDUSTRY EXCLUSIVE ADJUSTABLE HANDLE WITH HEATED HAND GRIPS

ADDITIONAL FEATURES:

LED LIGHT WITH 10 DIODES

With a high-performing LED headlight you'll be able to work more effectively in stormy weather and low light conditions.

SKID SHOES

Composite skid shoes provide smoother operation and reduce damage to delicate surfaces, plus they are both adjustable and reversible.

All features mentioned are not applicable for all models.

TWO STAGE ST 124 HELPS YOU HANDLE WINTER WITH EASE

LIGHT DUTY

Husqvarna's compact and high-performing ST 124 is ideal for driveways and paths. Easy maneuverability, an innovative remote chute rotator, and powerful engines with electric start help you take the bite out of winter snowfalls.

- Premium Remote Chute Rotator
- All Steel Chute

ST 124

REMOTE CHUTE OPERATOR

Steel chute can be controlled from the operating position, allowing easy snow redirection during use.

POWERFUL HUSQVARNA ENGINE

New generation Husqvarna engines feature quiet muffler technology, throttle control and a forged crankshaft for years of reliable service.

ELECTRIC START

Electric start makes it simpler to start the snow blower, meaning a faster start and faster finish.

3 YEAR

BUMPER TO BUMPER
WARRANTY

100 series snow blowers are powered by Husqvarna brand engines and backed by an industry-leading warranty.

See Husqvarna.com for details.

ADDITIONAL FEATURES:

ADJUSTABLE SKID SHOES

Heavy-duty metal skid shoes provide durability for long lasting operation.

All features mentioned are not applicable for all models.

GENUINE HUSQVARNA SNOW BLOWER ACCESSORIES

DELUXE SNOW BLOWER CAB

Protect yourself from the elements with this roomy cab, featuring a large roof overhang that shields you from wind, sleet and snow. The freeze resistant clear window provides high visibility during snowfall and the heavy duty construction provides maximum durability.

Additional Features:

- Storage pockets for additional weight and gear
- Rugged powder-coated steel frame
- No drilling – installs with standard hand tools
- Fabric is coated for maximum water resistance and repellency; won't shrink or stretch
- Two year factory warranty
- Fits most 2-stage snow blowers

SNOW BLOWER COVER

Extend the life of your snow blower with a genuine Husqvarna cover. The heavy-duty material is water resistant and provides protection from sun, weather, dirt, birds and tree sap. Fitted with an elastic cord at the bottom, it provides a quick, custom fit for most 2-stage snow blowers and is backed by a 2 year warranty.

DRIFT CUTTER KIT

Designed to knock the drift down in front of the auger housing during operation. It also prevents the snow from falling over the top of the housing and onto the machine. Engineered for handling large snow accumulation it mounts to each side of the auger housing.

Kit Includes:

- LH and RH bar, hardware and instructions
- Fits: Husqvarna 24", 27" and 30" snow blowers

HEATED LEVER AND GRIP KIT

Enjoy all around warmth with the new Heated Lever and Grip Kit. This kit warms the hands while the machine is in use. Fit up: All 200, 300 and 400 series snow blowers.

NEW WEIGHT KITS

Provides extra weight to enable more downward force while snow blowing. Fit up: All 200, 300 and 400 series snow blowers

KEEPING YOU PROTECTED FROM THE ELEMENTS

TECHNICAL WINTER GLOVES

Keeping your hands safe and warm is a priority in tough winter conditions. Husqvarna's Technical winter gloves feature a knuckle guard with EVA foam padding which extends to the index and middle finger and 3M Thinsulate™ which traps warm air to help regulate your body temperature. Water-resistant nylon back-of-hand protects against the elements so you can work comfortably through the toughest winter storms.

PROFESSIONAL HEADBAND HEARING PROTECTORS (PADDED)

Protect your ears from the cold and machine noise with Husqvarna's lightweight hearing protectors. Featuring a flexible padded headband they offer superior comfort and 25 dB(A) NRR hearing protection.

PROTECTIVE GLASSES

Save your eyes from damaging sun glare and flying debris with Husqvarna's wide range of protective glasses. Scratch resistant with static frames, they are available with clear and grey tinted lenses providing excellent UV protection (99.9%). With 15 stylish designs to choose from, there's a pair perfectly suited to your needs.
